

COMPLETING A PAPER LOTTERY APPLICATION FOR YOUR SCHOLAR

Dear Prospective Parent:

We are excited that you are interested in enrolling your scholar in our fall lottery for the 2021-22 school year! The first step towards enrollment is to submit a lottery application for your K-1 scholar. The preferred method is to submit the application via the online Lotterease portal, which you can access via www.libertysteamcharter.org/enrollment. If, for whatever reason you are unable to complete it online, simply complete the attached lottery application (pages three and four) and return to us. You can drop it off at our administrative offices (117 North Main Street; Sumter, SC 29150), email (enrollment@libertysteamcharter.org), or postal mail.

Once we receive the application, we will manually enter your child into the lottery. If an email address is provided, you will receive a confirmation email. If you have any questions, please call us at 803-569-1217.

Thank you!

-LSC School Leaders

Liberty STEAM CHARTER Opening Fall 2021

with Scholars in Grades K-1.

LOTTERY ENROLLMENT APPLICATION

your
Calendar

Fall Application Period
October 1 - November 30

Fall Lottery
December 3 at 6pm

Family Onboarding
December 4 - 16

Spring Application Period
February 1 - March 30

Spring Lottery
April 1 at 6pm

Family Onboarding
April 12 - 23

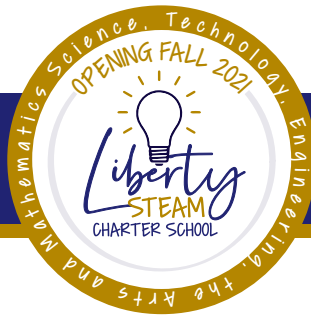

Applications are accepted on a rolling basis. Scholars not admitted during the fall lottery will be waitlisted for future available seats. Submitting an application is the first step towards enrollment.

- To be eligible for Kindergarten, scholars must be 5 years old on or before September 1, 2021.
- In our inaugural year, we will serve 72 scholars in Kindergarten and 72 scholars in first grade.
- If more than 72 applications are received for either grade level, a lottery must be held.
- Liberty STEAM Charter will add pre-school and second grade in the 2022 - 2023 school year and add one additional grade level each school year across four academies (primary, elementary, junior, and senior) until fully building out to 12th grade in the 2032-33 school year serving a total of 976 scholars.

Transforming Education.
One Sumter Scholar at a time.

The BEST way to reach us is by emailing, enrollment@libertysteamcharter.org

LOTTERY ENROLLMENT APPLICATION

We're glad you have decided to apply and are hopeful to work together as your child makes his or her way through what will be an exciting educational journey.

Our philosophy in creating a school that ensures our support of every LSC scholar with the highest level of social, emotional and academic encouragement. We cannot wait to begin serving our families and scholars!

Before completing an application, there are five key facts you should know about LSC.

KEY FACT 1: At Liberty STEAM Charter (LSC), we realize the stakes are high given that children only have one shot at a K-12 education. With that in mind, we believe that children need more time on task to achieve off-the-chart results. LSC will operate on an extended school year and extended school day.

The academic calendar for Liberty STEAM Charter provides a total of 190 days of instruction during the school year with each school day starting at 8 am and ending at 4 pm. Our calendar builds in additional breaks beyond Thanksgiving, Christmas, and Spring Break to include a fall and winter break as well as monthly staff development days where scholars do not attend.

----- I understand

KEY FACT 2: LSC does not provide transportation. You do not have to be a Sumter County resident to attend LSC. However, families far and near must provide daily transportation to and from school for their scholars.

----- I understand

KEY FACT 3: At LSC, scholars are required to wear uniforms. The first uniform will be provided to all newly admitted students.

----- I understand

KEY FACT 4: LSC expects every family to participate in volunteer activities. We're all in this together and your presence inside our school helps us build our partnership. Every family will be asked to invest a minimum of 10 hours annually in activities taking place within our school community. These can include everything from eating lunch with scholars to helping teachers with class prep on weekend/after hours or even providing assistance with lawn care and landscaping.

----- I understand

KEY FACT 5: LSC will offer Extended Day learning opportunities. Our optional Extended Day program is designed to provide a safe place for scholars to continue to be engaged socially and academically outside of the regular school day. Scholars will be able to complete their homework, receive a snack, and participate in additional STEAM enrichment activities - all on the campus of LSC.

Our Extended Day program occurs Monday through Friday, from 4pm to 6pm.
